### **BSW and MSW INTERNSHIP OPPORTUNITIES**

- Interns must be currently enrolled in a Social Work program and have completed enough course work to be enrolled in a practicum class.
- All internships require an academic year commitment (last week of August through third week of June) of approximately 16-24 hours per week. This could consist of 2 days per week on a school campus (elementary, middle or high school) and/or placement in any one of our other programs including our in-house counseling program.
- Weekly individual supervision will be provided by a Licensed Clinical Social Worker. Group supervision is provided by licensed and experienced MFT staff. Individual supervision is scheduled between the intern and supervisor. Group supervision is on Thursdays, either morning or afternoon.
- There is a mandated weekly training relevant to the practice of counseling and social work every Thursday from 11:15 AM - 1:00 PM.
- All positions are unpaid. There is the possibility of a stipend – and CHAC is exceptional in the amount of support and caring given to its employees.
- CHAC provides liability insurance.

*Placement at CHAC provides an opportunity to see a wide variety of clients and respond to a range of presenting problems. CHAC works with children, families and individuals from Mountain View, Los Altos, Los Altos Hills and surrounding communities. CHAC serves a diverse population. Applicants with bilingual and/or bicultural skills are encouraged to apply.*

**CHAC PHILOSOPHY** - CHAC believes in the value of each individual, the importance of family, and the necessity of community.
