

## **Community Health Awareness Council**

711 Church Street, Mountain View CA 94041

650-965-2020 - [www.chacmv.org](http://www.chacmv.org)

### **PSYCHOLOGY INTERNSHIP OPPORTUNITIES\***

- Applicants must be currently enrolled in a psychology doctoral program and have completed enough course work to be enrolled in a practicum class. CHAC offers practicum training for one or more years, half-time. We also offer a CAPIC certified predoctoral half-time internship.
- All internships require an academic year commitment of approximately 20-25 hours per week, with the option to continue through the summer, and to start as early as mid-June. You will spend a good part of 2 days per week on a school campus (elementary, middle or high school) and up to 7 hours per week working with clients/patients in our in-house clinic at CHAC. Clinic cases may be adults, couples, families, or children. Some trainees have the opportunity to do group therapy as well. At the end of the year, each student can be considered for another year at CHAC. Unlike some practicum placements, we frequently have students remaining more than one year. We feel that learning increases exponentially with time spent at our site beyond the first year. While we don't ask for a commitment for more than one year, we encourage students to apply who are open to this possibility.
- Weekly individual and group supervision are provided by a licensed psychologist, and emphasis is placed on process-oriented supervision by means of audio-tape, video, or direct observation. Group supervision is on Thursday, either morning or afternoon. There is a mandated weekly training relevant to the practice of clinical psychology Thursday from 11:15 AM - 1:00 PM
- All positions are unpaid. There is the possibility of a stipend – and CHAC is exceptional in the amount of support and caring given to its employees.
- CHAC provides liability insurance.

*Placement at CHAC provides an opportunity to see a wide variety of clients and respond to a range of presenting problems. CHAC works with children, families and individuals from Mountain View, Los Altos, Los Altos Hills and surrounding communities. CHAC serves a diverse population. Applicants with bilingual and/or bicultural skills are encouraged to apply.*

**CHAC PHILOSOPHY** - CHAC believes in the value of each individual, the importance of family, and the necessity of community.

## **APPLICATION PROCEDURE**

- Contact (PhD only):  
Stewart Kiritz, PhD  
Chief Psychologist and Director of Training  
650-424-1405  
skiritz@stanford.edu (preferred method)
- Email resumes to Dr. Kiritz
- Interviews for fall placement will start in early February. Please call Dr. Kiritz to schedule an appointment.
- Please contact Dr. Kiritz for the date of the first-round application deadline. Other interviews will be scheduled later in the year if positions are open.
- CHAC is an Equal Opportunity Employer. CHAC serves a culturally diverse population and welcomes applications from prospective interns from all cultures.
